

CLUB13 CABINET ASSEMBLY INSTRUCTIONS

Cabinet Dimensions:

H – 89” / D – 15.25” / W – 40.5”

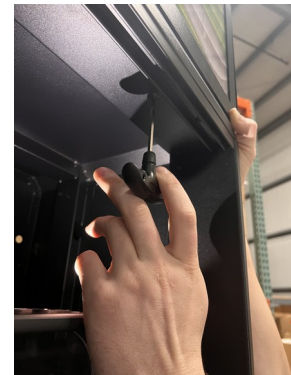

*Tools for assembly included

STEP 1: Unbox the cabinet.
(USE CAUTION: The sign
will be located on top)

STEP 2: Locate keys in the
included ‘parts bag’ attached
to the sign and unlock the
cabinet.

STEP 3: Place sign on top of
cabinet, align holes in sign to
holes in top of cabinet.
Place screw in hole and
tighten down.

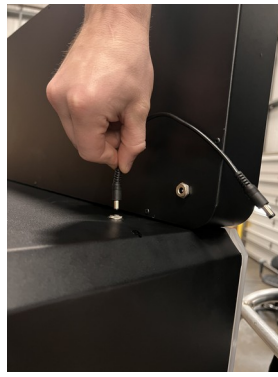

STEP 4: Place a second screw on the left side bottom of sign into top of shelf.

STEP 5: Tighten two more screws in the middle left and middle right top of cabinet/ bottom of sign.

STEP 6: Attach the included male to male barrel connector into the top of cabinet and back of sign as shown.

STEP 7:

(ATTENTION:
Please ensure voltage
switch is set to the
proper voltage before
continuing!)

Plug cabinet power
cord into an outlet.

Assembly complete!
